

# Make a Difference

with a rewarding and well-paying career in Residential Construction

Did you know? The median salary for residential construction jobs is \$65K annually, with more experienced workers earning over \$105K per year. Or take flight with entrepreneurship. The sky's the limit.

## 2021 JOB FAIR

2-4PM  
**SEPT 10**

The Wood Technology Center (OUTSIDE)  
2310 S Lane St,  
Seattle, WA 98144

- ✓ Meet builders and remodelers in search of workers
- ✓ Explore job contracts and scholarship opportunities that fund tuition for training
- ✓ Learn how to build a residential structure and become certified through evening carpentry classes
- ✓ Bring your resume!
