Cultivate curiosity.

Spring is in the air! It's the season of renewal, a reawakening after winter's hibernation. As the flowers begin to poke up their heads, and the days get longer and brighter, this is a great time to *try something new*.

What interests you? Find a class that looks fascinating and dig in. You'll see a few highlights here—be sure to visit our website for the bounty of colorful options.

Classes are held at our Capitol Hill campus, the Wood Technology Center in the Central District, the Seattle Maritime Academy in Ballard, and online.
